RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Office Action mailed July 26, 2004, please
amend the application as follows:

REMARKS

The present Amendment is submitted in response to the Office
Action dated July 26, 2004. The Examiner required restriction to one of the
following:

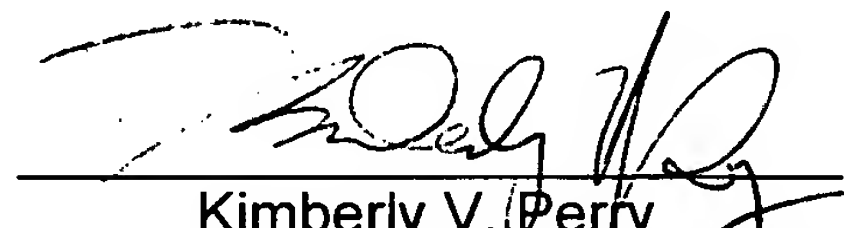

- I. Claims 5-17, drawn to a surgical seal assembly;
- II. Claims 18-21, drawn to a method for performing a surgical
procedure.

Applicants provisionally elect to prosecute claims 5-17. Group I identified by the Examiner is classified in class 604, subclass 164.01 and Group II is classified in class 606, subclass 500, according to the Examiner. Search and examination of the entire application can be made without serious burden. Accordingly, the Examiner must examine the entire application on the merits under MPEP 803. Accordingly, the Restriction Requirement should be withdrawn.

Prompt and favorable consideration of this application is respectfully requested.

Respectfully submitted,

Dated: 8/23/04
